3. Neon Tetra

This type of ornamental fish are smaller in size but have a beautiful skin color that can look shining as they swim around the aquarium. These fish are better to keep a bigger group, so you may need to raise a lot of them.

PERSONALITY DEVELOPMENT PROGRAM

The personality development programme conducted on 8th April 2021 has been organized by NSS. Dr Mary Angeline, Dr. Senthil Prof. Department of Computer Science and Mr. Loganathan, Dept of Mathematics, Ms. Alamelu Dean of Academics, Ms. Manoranjithm, Vice Principal took part in the inaugural function. The session was led by Mr. Loganathan Asst. Professor. All the invited members briefed about the program and in particular Principal motivated the students and inspired them by telling about the importance of Personality development.

The main contents of the training program were displayed on Presentation Prepared by Dr. Senthil, The sessions were focused on below mentioned topics.

- 1) Goal Setting
- 2) Time Management
- 3) Correcting the way
- 4) Listening Skills
- 5) Team Work

First topic was 'Goal Setting Process'. There were 12 main steps of Goal setting which were very useful for setting the goals. Then exercise was given to students to write about their personal Social, Professional, Financial, Health Goals. Then after in Post Lunch session there was a second topic of first day Time Management Skills. There were a 5 Time Stealers which stops us to achieve our Goals. Time management exercise was given for 3-4 mins. The exercise of presentation of students to reduce Stage Fear was done by each and every student for 30 Secs. Students were free to select the topics, what they have to present among all students. Secondly group activity was assigned. All students were divided in to groups and different activities were given to students and all students actively participated individually and as a team. Last two activities was about to problem solving and decision making. At the end of the session all the students gave feedback about session.
