INSTITUTION'S INNOVATION COUNCIL

PROGRAM REPORT

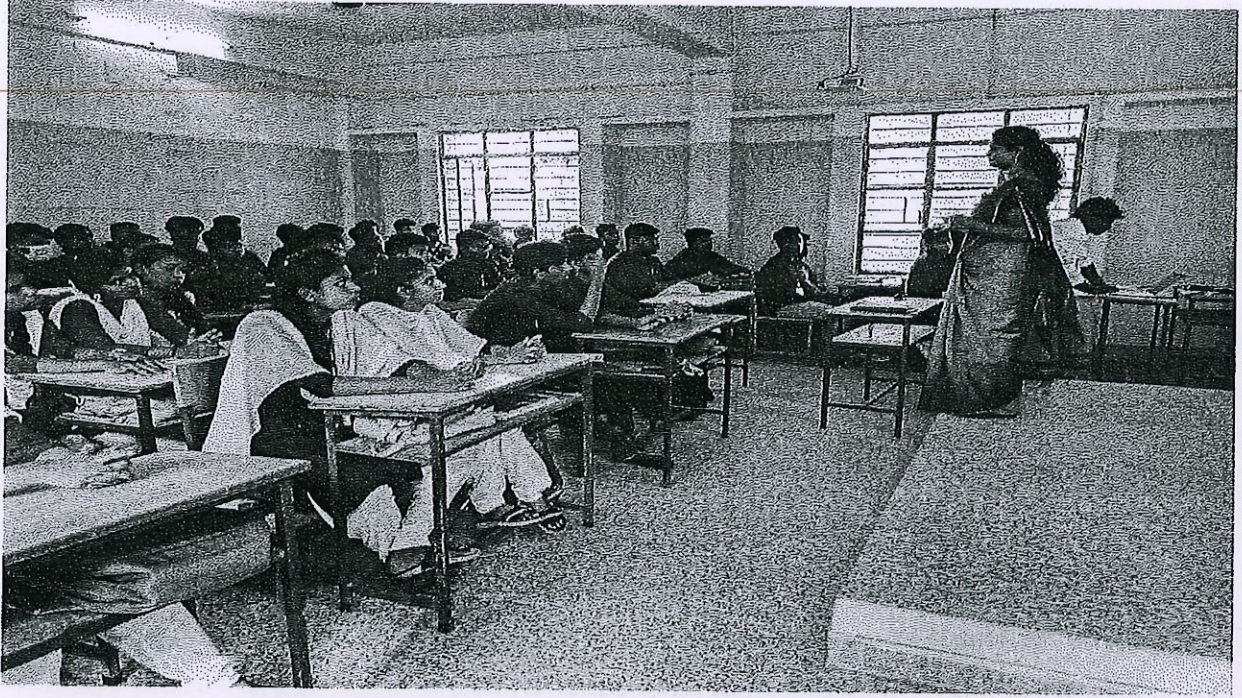

Nazareth College of Arts and Science and the Institution's Innovation Council (IIC) organized a Seminar on "Achieving Problem Solution Fit & Product – Market Fit". This Seminar was held on 28th January 2022 from 10.30 am to 11.30 pm on I BBA Classroom. The main objective of this Seminar was to inculcate the knowledge about to observe, understand, analyze, interpret find solutions, and perform applications that lead to a holistic understanding of the concept to the students.

Ms. Mano Ranjitham. E, Vice Principal and HOD of Computer Science, Avadi was invited as the Resource Person. Dr. Arul Mary Remy, HOD from the Business Administration Department gave a warm welcome to all and explained about the problem-solving routines. The session was very active, interesting and useful. She spoke about the how to develop successful test-taking strategies, an area where bright students of all cultural backgrounds can have difficulty—to the detriment of their grades and self-esteem

Our College students had great time in this Seminar. A total of 52 students participated and benefitted much from this Seminar. Finally the vote of thanks is done by Mrs. Esther Martina; Assistant professor for the perfect guidance sir has extended to all of us.

DEPARTMENT OF MATHEMATICS

STATELEVEL WORKSHOP ON MATHEMATICAL MODELLING

Report

The Department of Mathematics has conducted a "State level Workshop on Mathematical Modelling", virtually through zoom platform on 01st November 2021. A total of 50 students participated in the workshop. The first session of the workshop began with a prayer song. Dr. S. Athithan, Assistant Professor, Department of Mathematics, SRM Institute of Science and Technology was invited as the resource person. He spoke on the "Basics of Mathematical Modelling". He explained how the real world situation problems that one faces reality can be converted into mathematical equations. The session was informative and useful to the students.

Session 2 began with a brief introduction of the resource person Dr. Ponmana Selvan, Assistant Professor, Sri Sairam Institute of technology. He delivered his lecture on the topic "Application of Calculus in Mathematical Modelling". He briefed the types of Mathematical models, basics of calculus and practical applications of calculus in mathematical modelling. The students were able to gain knowledge on the various real life applications of mathematical modelling. The session ended with a formal vote of thanks.
