KITCHEN GARDEN PLANTATION

Date:24.09.2021 Kitchen Garden Plantation

The NSS Unit-1 and Unit-2 of Nazareth College of Arts and Science conducted Kitchen Garden Plantation in the college campus on 28th September 2021 at 1:30 PM. The Secretary of the College Mr A. N. Henry Maris, and the Principal, Dr E. Mary Angeline inaugurated the program. The NSS Volunteers planted different kinds of vegetable seedlings near the canteen area. On this day, students from all the departments participated and learned how these kitchen gardens work to improve their health. The NSS Program Officers of Unit-1 & Unit-2, Mr. Vadivelan and Ms. Dharani, coordinated the proceedings. The program created awareness among the NSS Volunteers to grow and preserve kitchen gardens in their neighbourhood and to avoid the use of pesticides. As a result of the program, the faculty members and students of various undergraduate programs learned the importance of nurturing kitchen gardens in their neighbourhood.

TREE PLANTING ACTIVITY

The NSS Unit-1 and Unit-2 of Nazareth College of Arts and Science conducted an activity on Tree Plantation program in Kannadapalayam area on 28th September 2021, from 09:00 AM till 01:30 PM. The Secretary of the College Mr. A. N. Henry Maris, and the Principal, Dr. E. Mary Angeline, inaugurated the session. The NSS Units guided the students to plant the saplings around the school campus. Thirty students from various departments like Commerce, Business Administration, and B.sc Computer Science took responsibility and carefully planted the saplings.

The program's main aim was to create awareness among the NSS Volunteers to protect the environment by nurturing the plants. The program also aimed to promote an eco-friendly environment by creating awareness among the local inhabitants to safeguard the trees for future welfare. The NSS Program Officers of Unit-1 & Unit-2 Mr. Vadivelan, and Ms. Dharani, coordinated the proceedings. Students of various undergraduate programs took part in the occasion and gained practical knowledge in nurturing the saplings.

SPECIAL CAMP AT GOVERNMENT MUNICIPAL HIGH SCHOOL

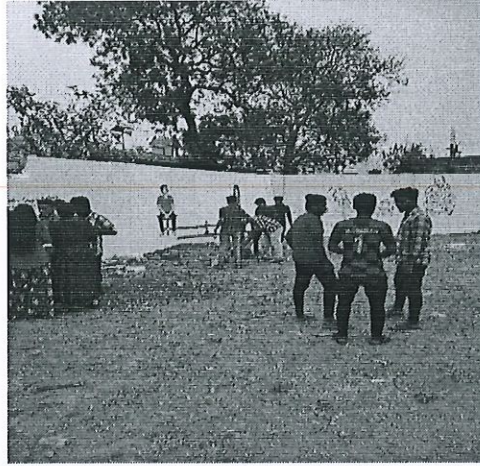

The NSS Units of Nazareth College of Arts and Science conducted a one-week Special Camp from 19th to 25th March 2022 at Government Municipal High School, Kovilpathagai, Avadi. The NSS Program Officers of Units 1 & 2, Mr. Vadivelan and Ms. Dharani, coordinated the event proceedings. The camp started with an Inaugural Function on 19th March at 08:30 AM in the presence of the Secretary of the College Mr. A. N. Henry Maris, and the Principal, Dr. E. Mary Angeline. Mr. Valli Nayagam, Headmaster, Municipal High School, Kovilpathagai, Avadi and Mrs. Shenbagavali Ravichandran, the Councilor, Ward 5, Avadi Corporation, were the Chief Guests for the Inaugural Function. The program started with a prayer song. Mr. Gopal, Assistant Professor of Tamil, Department of Languages welcomed the gathering. Following the welcome address, the chief guest Mr. Valli Nayagam greeted the students and spoke on maintaining cleanliness in a school environment and the importance of NSS. The second chief guest Mrs. Shenbagavali made a speech on the community and the importance of social activities. To conclude the session, Ms. Dharani proposed a vote of thanks. On the first day, the NSS began its work. It cleaned the school's neighborhood and levelled the surface in some parts of the school to make a kitchen garden.

On Day 2 of the NSS Unit created social awareness of gender equality, sustainable development, and education's value. The college students enthusiastically used the wall painting to expose their perspectives on the chosen social awareness topics. Till the dusk, they were actively painting. The NSS students completed nearly 15 wall paintings in the end.

Date:19.03.2022 Special Camp

On Day 3 of the NSS Special camp in the Government Balwadi (pre-school), Kovilpathagai, the focus was **cleaning and painting**. The paintings, focused on themes such as child **education and child labor** were done on the walls. The Volunteers cleaned the location till evening.

Date:20.03.2022 Special Camp

On Day 4 of the NSS special camp, the NSS Units continued their work on the Government Balwadi, Kovilpathagai. The students **painted graphical sketches of the four seasons of a year, pollution awareness, and the ecological benefits of using cycles on the interior and outer walls**. In the Afternoon, the Chief Guest Dr S. Sunil Varma, Assistant Professor, Department of Mathematics, Madras Christian College spoke on **reducing the use of plastic to promote an**

eco-friendly environment. The chief guest also commended the students for their dedication and advised them to show the same enthusiasm till the completion of the camp.

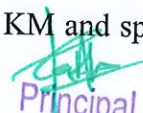

Date:21.03.2022 Special Camp

On Day 5, the students got split into four groups. The first group went for a survey to collect the information on the height and weight of the kids aged between 1 to 5 years in the Anganwadi. The second group set up a garden area in the school. The third group of students went along with faculty members to each class in the high school from 1st to 5th standard and gave an awareness speech about cleanliness. The fourth group continued their wall paintings on the school campus to spread awareness messages.

On Day 6, the finale of the NSS Special Camp, the focus was on spreading a message about avoiding the single use of plastic covers. The organizers made the school students assemble in a classroom. After they were all assembled, Ms. Jenifer and Ms. Sangeetha, faculty members of the Department of Social Work instructed the students about a rally which was about to happen. Following the instructions they received, the students went on a rally with cardboard slogans containing wordings such as "avoid plastic covers," "do not litter," "use eco-friendly yellow bags," etc. The students approximately walked around 5 KM and spread the awareness message from door to door.

Sustainable Sanitation- Connecting communities.

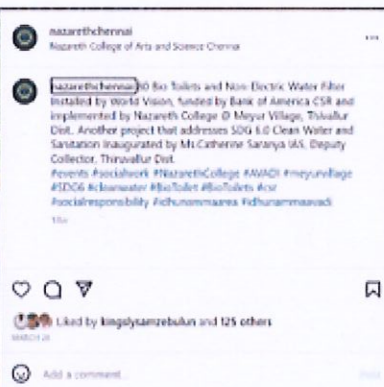

Meyyur Village

The few households in the village population lack access to proper sanitation. People must often use open air, unhygienic shared toilets. Based on the survey and the need of the community the UBA team approached Habitat India for Bio Toilets for the community to solve open defecation. Education has been an essential part of the effort too. Bank of America constructed bio toilets to households in Meyyur village.

**TOTAL BENEFICIARIES
REACHED:**

Awareness provided to
950 STUDENTS on
Clean water

85 households

Clean Water for Life

Meyyur Village

Clean water is one of the few things in life that never fails to live up to expectations. Clean water changes almost everything. Having clean water and sanitation means being able to avoid exposure to countless diseases. Every year, millions of people die from diseases caused by inadequate water supply, sanitation, and hygiene. Based on the survey and the need of the community the UBA team approached World Vision India for water filters.

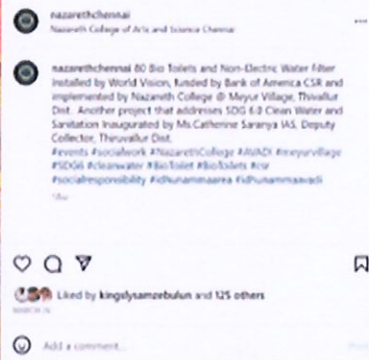

World vision donated nonelectric water filters to the households in Meyyur village.

RED RIBBON CLUB

BLOOD DONATION CAMP

The Red Ribbon Club of Nazareth College of Arts & Science and the Blood Bank of Thiruvallur Government Medical College and Hospital organized a blood donation camp on 28th October 2021 at the college premises. Nearly 50 volunteers for neighbouring community attended the camp to donate their blood. The doctors checked the level of hemoglobin, pressure and weight of the donors before collecting their blood. A total of 21 students were among the donors. The students who donated their blood received certificates and refreshments. The college also received an appreciation certificate from the hospital for voluntarily organizing the blood donation camp.

Rotaract club

Undraar Uravinar

The idea behind this endeavour was to provide food donations to those in need. The goal of this endeavour was to provide one course meals during a pandemic for the underprivileged. Seven students from various disciplines have taken part in this project. Two teams of seven people distributed the food to the less fortunate. On October 27, 2021, this project will benefit the locals in the Avadi area.

Feed The Watchmen

Feeding the stray dogs was the project's original idea. The goal of this effort was to gather food from students and locals to distribute throughout Avadi. Feeding the watchdog (a dog) was done out of love and concern. Our club members and 20 students participated in this effort with sincerity.

UNNAT BHARAT ABHIYAN

Arrikambattu Solar Panel

Unnat Bharat Abhiyan is a flagship plan of the Ministry of Human Resource Development that aims to enhance India. Under this plan, Nazareth College of Arts & Science, Avadi has adopted five villages in Thiruvallur District, one of which is Arikambattu. Arikambattu is a hamlet in Tiruvallur district. Jasmine cultivation is the village's primary source of income.

Aside from that, the young people in the area look for jobs outside of the village. The community has only one primary school. Students were sent out to these areas to educate them about responsibility and actively participated in raising awareness among the local inhabitants about the importance of energy conservation.

Date :22.08.22 Arrikambattu Solar Panel
