Health Awareness Camp

NERF (India) has adopted five villages in Thiruvallur district and has implemented various college projects to support local communities. These projects include clothing distribution during rainy seasons, bedsheet donation during Kerala floods, water day awareness, cleaning day celebrations, lake cleaning, girls' safety awareness, games and toys distribution, nutrition programs, cyber cell activity programs, innovation programs, and awareness about nature. NERF has also held waste management meetings, held dengue and malaria awareness events, and organized various events such as National Unity Day celebrations, World Disability Day celebrations, vegetable stalls, walkathons, and cultural events. Additionally, NERF has celebrated World Humanitarian Day, AIDS awareness, and healthy eating awareness. The college projects aim to provide support to the local communities and promote a healthy lifestyle.
