

5.1.3 Number of students benefited by guidance for competitive examinations and career counselling offered by the institution year wise during the last five years.

Guidance for Competitive Examinations offered by the Institution during the last five years

The outbreak of the COVID-19 pandemic has significantly disrupted various facets of education and examination systems worldwide. One such area profoundly affected is the provision of guidance and support for competitive examinations. Due to the pandemic and associated health and safety measures, we were unable to conduct any guidance for competitive examination during the academic year 2019-2020.
