E-WASTE MANAGEMENT AWARENESS PROGRAM

Report

The Department of Computer Science organized a "Session on E-Waste Management (EWM) Awareness program" in association with IQAC, on 26th July, 2022 for our II and III year college students.

Program started with prayer song followed by welcome address given by Ms. Bhuvaneshwari, Student III B. Sc (CS). Ms.E. Mano Ranjitham, Vice Principal and Head, Department of Computer Science, Nazareth College of Arts and Science given key note address. She spoken on the values of life "Truth" and E-Waste Management. She explained about truth by stating various quotes in Thirukural and Bible. She also motivated the students by explaining that truth is something is correct at any moment. She told that telling truth makes other people respect and also encouraged them to be truthful always. She also explained about the fundamentals of E-Waste Management.

Mr. Parveen, Student II B. Sc (CS) gave awareness on E-Waste Management. He explained about E-Waste and its impacts to the society. He clearly explained on how the E-Waste is accumulated and classified. He listed E-Waste items into the categories of home appliances, communication and information technology devices, home entertainment devices and other electronics utilities and also listed out the toxic material that affects the human health. He suggested various effective ways to dispose E-Waste. He clearly explained how to recycle and reuse E-Waste items. He displayed the percentage of E-Waste produced by various countries in the world with the help of the bar chart and he also presented the percentage of E-Waste produced by various states in the Tamil Nādu with the help of Pie Chart.

Ms.V. Nandhini, Student II B. Sc (CS) explained about various pollutions created by E-Waste items. She clearly explained how the water, air and soil were polluted by E-waste items and it affects the environment with real time examples. They created the awareness of E-Waste among II and III year students. They concluded their talk with the ways to manage the E-Waste and their benefits for the future generations. They clarified all the doubts of students in query session.

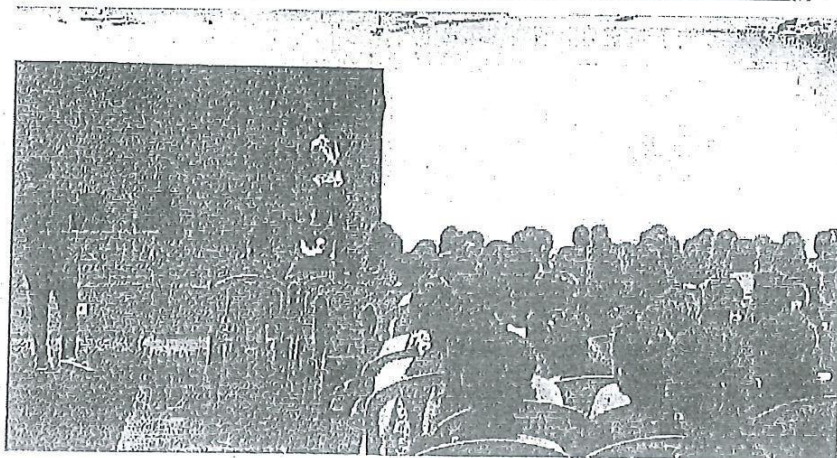

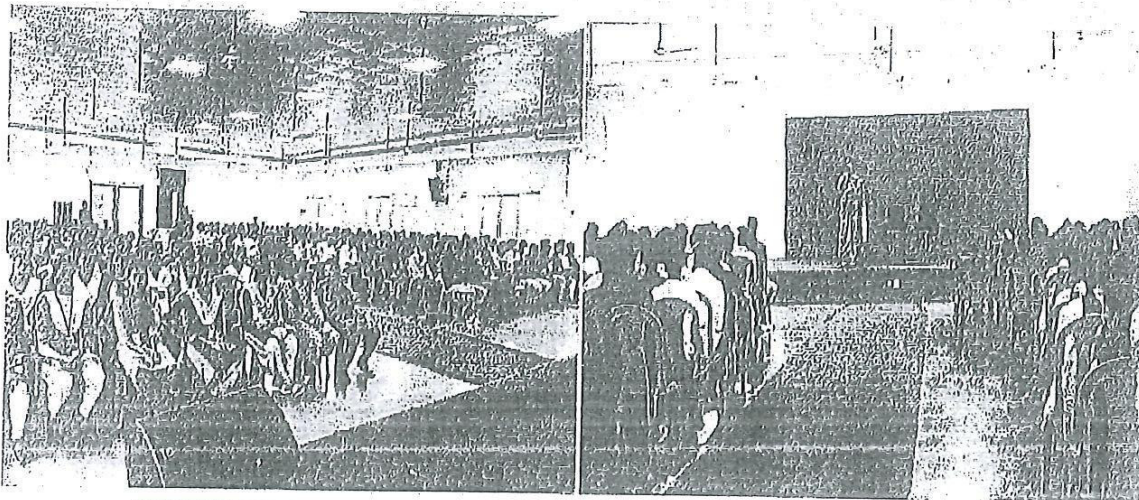

Principal

Nazareth College of Arts & Science
Kovilpathagai Main Road, Kannadapalayam,
Vellanoor Post, Avadi, Chennai-600062.

Students gained an awareness and knowledge about E-Waste Management. They interestingly learned about the E-Waste Management. Feed Back Forms were circulated among the participants. A total of 432 students from II Year and 370 students from III Year attended this session. Finally, Ms. Joesphine Musika, of III B. Sc (CS) proposed a vote of thanks.

The Session was conducted in two timings

SNO	YEAR	TIMING	COUNT
1.	II	10:45AM to 11:45 AM	432
2.	III	12:00 PM to 1:00 PM	370

EWASTE DISPOSAL ACTIVITY

Report

The Department of Computer Science organized a Awareness Program on "E-Waste Management" in association with IQAC, on August 22, 2022 as an outcome of E-Waste Management Project. The Department of Computer Science planned to start the awareness program among school and college students and take it to the public. As per planned milestone of E-Waste Management Project the Department conducted E-Waste disposal activity from our college. For this the concern named SKV E-Waste Recycling Pvt Ltd, Ambattur Industrial Estate, Chennai was approached by Ms.Kaviyarasi, Assistant Professor, Department of Computer Science, NCAS. They had given the rough quotation for the E-Waste products. From the department with the help of lab in charge all the e-waste products listed that has to disposed for recycling. On behalf of Department Ms.Mano Ranjitham, Vice Principal and Head, NCAS handed over all the e-waste materials to the in charge person who came for materials for collection. The concern in charge taken all the products on the same day and the amount as per quotation is transferred to the college account through RTGS and also they assured the certificate will be provided within 30 days from the date of e-waste material taken. This programme enlightened students on proper disposal of e-waste products.

E-WASTE MANAGEMENT AWARENESS PROGRAM - II
REPORT

The Department of Computer Science organized a Awareness Program on "E-WASTE MANAGEMENT" in association with IQAC, on January 23, 2023. It planned to start the awareness program among school students and take it to the members of the public. The session was arranged for higher secondary girls students of Vijayantha Higher Secondary School, Avadi. This session was handled by Mr.Parveen and Ms.Nandhini, students of II BSC Computer Science. They discoursed on E-Waste and its impacts on the society. They clearly explained how the E-Waste is accumulated and classified. They also listed E-Waste items into the categories such as home appliances, communication and information technology devices, home entertainment devices and other electronics utilities. They created awareness about toxic material that affects the human health. They suggested various effective ways to dispose of E-Waste. They clearly explained how to recycle and reuse E-Waste items. They displayed the percentage of E-Waste produced by various countries in the world with the help of the bar chart and they also presented the percentage of E-Waste produced by various states in the Tamil Nādu with the help of Pie Chart. They clarified all the doubts of students in query session. Students gained an awareness and knowledge about E-Waste Management. They interestingly learned about the E-Waste Management. The feedback of students about the session was very good. This programme enlightened students on the E-Waste Management.

EWASTE DISPOSAL ACTIVITY

Report

The Department of Computer Science organized a Awareness Program on "E-Waste Management" in association with IQAC, on February 3, 2023 as an outcome of E-Waste Management Project. It planned to start the awareness program among school and college students and take it to the public. It also conducting E-Waste disposal activity in and around Nazareth Institutions. The Department conducted its second E-Waste disposal event to dispose the waste of Nazareth Matriculation Higher Secondary School, Kamaraj Nagar, Avadi. Ms.Kaviyarasi, Assistant Professor, Department of Computer Science, approached RV E-waste recycling private Limited a concern regarding E-waste management. The concern gave the rough quotation for the E-Waste products. Ms.Mano Ranjitham, Vice Principal and Head, Department of Computer Science, Nazareth College of Arts and Science and Ms.Aruna, Lab Incharge, Nazareth Matriculation Higher Secondary School handed over all the e-waste materials to the person who came to collect them from the school. The person concerned in charge collected the products on the same day and the amount is transferred to the college account through RTGS. The concern assured that the certificate will be provided within 30 days from the date of the collection of material. This programme enlightened students on proper disposal of e-waste products.
