

NAZARETH COLLEGE OF ARTS AND SCIENCE
Affiliated to University of Madras, Re-Accredited by NAAC with 'B' Grade
DEPARTMENT OF COMPUTER SCIENCE
STUDENT INTERNSHIP REPORT

The Department of Computer Science organized an Internship program for their final year students. The main objective of an internship is to expose the students into particular job and a profession or industry. This comprehensive training program aimed at building the capabilities of students with better skills in advanced technologies. It was specifically directed towards from basics to the depth of the specified area such as project development, design, implementation and its training included both theoretical and practical knowledge. The internship was held from May to June 2022 in various industries like College Bag Private Ltd, Teach Sub and SaaS Industry. Students were really trained by the concerns with specialization they have chosen. Completing an internship allows students to gain hands-on experience in the field that interests them. It was really a

very good experience for all the students those who participated in the internship program and they explore them into their carrier in a confidential mode. The students also thanked the Department for given them such a wonderful opportunity.
