The chief examiners should see that the answer papers assigned to the examiners for valuation are in accordance with the subjects taught by the examiners.

The teachers working within the University of Madras area alone are eligible to be examiners for under-graduate examinations. If any member of your family viz. spouse, son, daughter, brother, or sister, is appearing for the examination in your subject in this University, you are NOT ELIGIBLE to value the answer papers.

I am to state that the valuation of answer scripts is a part of academic work as per the UGC norms and the conditions of affiliation under Statue 44 of Chapter XVI of the University Calendar, failing which the matter will be viewed very seriously by the University and the same will be brought to the notice of the Director of Collegiate Education for further suitable action.

The Vice Chancellor desires to draw the attention of all the examiners that complaints regarding valuation from the students and requests for retotalling/revaluation were slightly on the higher side during the last examinations. The examiners are therefore requested to be extremely careful and help us to establish a zero complaint evaluation.

A Transparency system has been introduced from 2003. The photocopies of valued answer scripts are to be provided to the candidates. Therefore, the examiners are requested to be extremely careful while valuing the answer scripts.

The examiners, who have accepted to be an examiner and failed to report for valuation work at the concerned camp, will not be considered for future appointments. The examiners who leave the valuation camp in the middle/before the completion of valuation work are not eligible for payment of TA/DA and such examiners can claim only the remuneration on a later date from the University.

The teachers who are on superannuation, the Examinership/Chief Examinership/Chairmanship/Membership of the Board will be continued till the end of the valuation work.

The chief examiners are requested to distribute the answer scripts along with a copy of the scheme for valuation to the examiners as per the distribution statement available with the Camp Officer. The chief examiners should see that the answer papers assigned to the examiners for valuation are in accordance with the subjects taught by the examiners.

The teachers working within the University of Madras area alone are eligible to be examiners for under-graduate examinations. If any member of your family viz. spouse, son, daughter, brother, or sister, is appearing for the examination in your subject in this University, you are NOT ELIGIBLE to value the answer papers.

You are requested to bring the necessary text books if required for the papers you have opted in the acceptance form for valuation work and also the BLUE/RED/GREEN ball points pens and refills. You should not use whitener for any corrections. Any corrections in the marks should be attested by the respective chief examiners. Your kind co-operation is requested in this regard.

I am to state that the valuation of answer scripts is a part of academic work as per the UGC norms and the conditions of affiliation under Statue 44 of Chapter XVI of the University Calendar, failing which the matter will be viewed very seriously by the University and the same will be brought to the notice of the Director of Collegiate Education for further suitable action.

The Vice Chancellor desires to draw the attention of all the examiners that complaints regarding valuation from the students and requests for retotalling/revaluation were slightly on the higher side during the last examinations. The examiners are therefore requested to be extremely careful and help us to establish a zero complaint evaluation.

A Transparency system has been introduced from 2003. The photocopies of valued answer scripts are to be provided to the candidates. Therefore, the examiners are requested to be extremely careful while valuing the answer scripts.
